

Dear Madam / Sir,

I would like to take this opportunity to inform you that we are launching the first real big Hedonism Fair in our region, under the official name "Hedonism BCE Expo" / [linkedin.com/showcase/hedonism-bce-show](https://www.linkedin.com/showcase/hedonism-bce-show)

Dates: 05 - 06.11. 2022. (2 days)

Hours: 10:00 - 20:00

Location: Belexpoentar / [belexpoentar.rs](http://belexpoentar.rs)

Exhibition area: 2,500 m2

The purpose of this fair event is multiple ...

The first is practical and classic .. we want to gather in one place all the best producers of coffee, chocolate and wine .. to begin with from the region and a little wider .. which would provide an opportunity for professionals to be live in progress .. because online provides only dry information and in no way shows and proves quality.

The second ... is the wish of us hedonists from the whole region ... and I believe even wider ... to have the opportunity to find in one place the most spectacular tastes and smells that such a fair can provide.

Third .. we will not be satisfied only with the region (Ex YU) .. but this first year .. exhibitors, traders, and hedonists .. we expect from Italy, Russia, and Turkey.

Fourth .. out of the desire to show that hedonism has no limits .. we decided to give our senses additional stimuli .. so we will purely as a spice .. to expand the offer to whiskey, cognac and Cuban cigars.

**\* Of course ... smoking is prohibited in the hall.**

We expect you to enjoy together,

Best regards

General Manager
